## REFRESH YOUR FAITH!!!

**On December 3rd**, we will study the Church, focusing on its foreshadowing in the Old Covenant, its crucial institution by Christ in the New Covenant, and its four distinguishing marks. We'll realize that Christ set up this one, visible, hierarchical Church as an instrument of Salvation which – thanks to sacramental grace, unchangeable teaching, and worldwide unity – protects against confusion, chaos, apostasy, and schism.

**On December 10th**, we will offer a class on navigating the *Catechism of the Catholic Church*. The *Catechism* is a concise explanation of Catholic beliefs compiled from many documents written by bishops and Church Fathers over the centuries. While this Catholic compendium appears daunting, it is actually logically constructed and easy to read. Please join us and learn how you can get more out of the study of your faith.

Our near-term Refresh Your Faith classes are:

**Dec 3 The Church**

**Dec 10 Navigating the Catechism**

Refresh Your Faith meets in the Hope House on Sunday mornings at 11:30.

## Christmas Concert

“O Come, Emmanuel”

Christmas Concert at St. Peter Catholic Church  
Friday, December 15, 7pm

Spend the evening enjoying the glorious musical talents of vocalist J.J. Kaelin, violinist Theresa Phillips, cellist Pam Chaddon and pianist Robert Lambrech. The Christmas concert is an annual tradition and we are pleased to welcome the entire community. Enjoy traditional, classic and contemporary holiday favorites, carols, fiddling, a sing-a-long and more. Join us and be immersed in the beauty of the Advent season, and the hope and joy we find in the birth of Christ.

This concert is free and open to the public. Donations will be accepted to benefit Tri-Lakes Cares, a community-supported resource center that provides critical resources in northern El Paso Country through emergency, self-sufficiency, and relief programs.

St. Peter is located at 55 Jefferson St. in Monument.

## Christmas Flowers

There are sheets available at either entrance for Christmas Flower donations. Donations can be made either by cash, check, or using our online option through [www.holytrinitycos.org](http://www.holytrinitycos.org).

## Adult Catholic Studies

We begin Advent with Mary and Joseph, two key figures in every Nativity Set. We will also look at that “great cloud of witnesses,” the Communion of Saints that surrounds us.

**On December 3<sup>rd</sup>**, we will help you more effectively explain what Catholics really believe about the Communion of Saints, in general, and Mary, in particular. We will look at the four Marian dogmas; cite their foundations in Scripture and Tradition; and suggest ways we can reply to common objections.

**On December 10<sup>th</sup>**, we will turn our attention from the Blessed Mother to her “most chaste spouse.” When you think about it, St. Joseph was the savior of the Savior, the teacher of the Teacher, and the king in the family of the King of Kings. The epitome of the ‘strong silent type,’ St. Joseph was a real father to Christ...and to His Church.

Please join us for these wonderful topics:

**Dec 3 Mary and the Communion of Saints**

**Dec 10 St. Joseph: Our Spiritual Father**

Holy Trinity Adult Catholic Studies meets Sundays at 10 am in the Hope House.

## St.s More & Fisher

The failure to stop government censorship, changing doctrine synodally, and the bipartisanship in pro-life culture, as well as issues you bring, will be topics at the next Sts. More & Fisher Society meeting. You are invited to join us with your perspectives and questions on Thursday, December 7, at 6:30 PM in the Hope House.

<b>Feb 14</b>	Church in Central & Eastern Europe

## Catholic FYI

The Catholic Church has been singing the "O" Antiphons since at least the eighth century. They are the antiphons that accompany the *Magnificat* canticle of Evening Prayer from December 17-23. They are a magnificent theology that uses ancient biblical imagery drawn from the messianic hopes of the Old Testament to proclaim the coming Christ as the fulfillment not only of Old Testament hopes, but present ones as well. Their repeated use of the imperative "Come!" embodies the longing of all for the Divine Messiah.

## Indulgence

Catholics will be able to receive a plenary indulgence from December 8, 2023, the solemnity of the Immaculate Conception of the Blessed Virgin Mary, to February 2nd, 2024, the feast of the Presentation in the Temple of Our Lord Jesus Christ, by praying before a Nativity scene in a Franciscan church.

This year marks the 800<sup>th</sup> anniversary of the first live Christmas crib and Nativity scene in the Italian town of Greccio, December 24<sup>th</sup>, 2023. In celebration and gratitude for this Christmas tradition for 800 years, the Church has granted to all Franciscan churches the wonderful grace of this indulgence. As a reminder, a plenary indulgence cleanses a person of all temporal punishment due to sin, under these conditions:

1. A detachment from all sin, including venial sin.
2. A visit to the Church (in this case the Nativity scene in a Franciscan church) with prayers for the intentions of the Holy Father.
3. Sacramental Confession and Holy Communion within 20 days before or after the visit.

The Catholic Center at the Citadel will have a nativity scene up from December 8, 2023 - February 2, 2024.

The indulgence also applies to visiting the nativity scenes at St. Francis of Assisi parish in Colorado Springs or Castle Rock.

## Senior / Family Dinner

Dinner will be held **December 17 from 1:00 pm to 2:30 pm** in the cafeteria. The cost is \$4 per person. The menu includes ham, scalloped potatoes, corn, candied carrots, salads, dessert and rolls. Please RSVP to Mike Bartusek or call the office.

Flowers provided and donated by A Flower Girls Dream florist 227 N. Weber St.

## This Advent, Find Time for Silence

Today we suffer from an onslaught of noise, and more than a little noise pollution! Not that noise is always bad, but it is true that the human heart, mind, and the soul longs for moments of silence. As we enter more deeply into Advent, now is a great time to learn to cultivate silence.

That first Christmas night is known as that Silent Night. The cold, dark night of the Nativity of Christ was cloaked in a most profound silence — the Silent Night that brought the Son of God from heaven to earth so that we might ascend from earth to heaven.

Even before this holy day, the great prophet Elijah arrived at the foot of the holy mountain. Where was God to be found? In the thunder and lightning, or in the fire, or in the wind and storm? In none of these was God to be found. Rather, God made Himself manifest in the gentle breeze that could hardly be heard by human ears.

### The Benefits of Silence

Although many in the modern world flee from silence, it cannot be denied that silence has many positive benefits. Let us mention just a few.

#### 1. The place to encounter God

In the midst of clamor and confusion, God cannot be encountered, but only in the center of a heart imbued and permeated with silence. Remember Elijah's experience: God was encountered in the silence of the gentle breeze.

#### 2. The Holy Spirit

After nine days and nine nights of prayer — which was done in silence with the Blessed Virgin Mary — the Holy Spirit came down upon the Apostles on that first Pentecost and the Church was born. Therefore, if we really want to experience the abiding presence of the Holy Spirit we urgently need silence.

#### 3. Hearing God's voice

The young Samuel in the Temple experienced the presence of God, but in silence. His response was: Speak, O Lord, for your servant is listening. God's voice can be heard in the very depths of our soul in profound silence.

#### 4. Interior peace

Excessive noise creates tension, anxiety, stress, and much more! When we can enter into the ambiance of silence it is then that God will help us to experience one of the sublime fruits of the Holy Spirit, and that is peace. The human heart yearns for interior peace more than all of the riches that the modern materialistic world can offer. Jesus' Easter gift was shalom—peace be with you!

#### 5. Learning to examine yourself

Only when we are alone with ourselves and at the same time alone with God will we be able to arrive at self-knowledge, to know who we really are—the noble as well as the ignoble, the virtuous as well as the vicious, the lights beaming in our lives as well as the ugly shadows that lurk in the inner recesses of our soul.

#### 6. Repentance, forgiveness, and mercy

In silence, we can also examine our moral lives, how we are acting in the light of God. As a result, we can recognize our sins and bring them to God's mercy through the Sacrament of Confession.

#### 7. Cultivate a habit of listening to others

Another positive fruit of a deep and efficacious silence in which we can hear the voice of God, examine our conscience, and repent deeply of our many transgressions, is an openness to listening to others in charity. Indeed, listening is an all-important art that few have really acquired. Listening demands patience, attention, humility, selflessness, and above all else charity—authentic love and concern for the other. A person who does not appreciate silence may find it difficult to listen with attention and charity towards others.

#### 8. Open to heavenly inspiration

Of enormous importance with respect to an attitude of silence is that of being open to God, most especially, being open to the inspirations that come from the Holy Spirit. Clatter, noise, boisterous environments, cacophony — all of these militate against an openness to God the Holy Spirit. Indeed, our God is a jealous God and will take second place to no person, place, or thing. If noise is predominant in our lives, then the Holy Spirit's gentle but insistence voice — that we call inspiration — will never be heard. The Holy Spirit is our Best Friend, as well as the Interior Master, and also the Sweet Guest of the soul. Let us live a life of recollection and silence so as to hear more frequently His sweet, gentle, and consoling inspirations.

#### 9. Probing the depths of our mind

If we apply ourselves to frequent moments of silence we can arrive at a deeper thought life, which will be accompanied by the proper use of our reason, and result in making good decisions that will bless ourselves as well as others. Einstein, Dante, Shakespeare, Augustine, and Aquinas—all of these profound thinkers spent long blocks of time in silence in which they could cultivate the profound intellects God had given them.

#### 10. Imitation of Mary

Our Lady has many titles. She is the Daughter of the Father, the Mother of the Son, the Mystical Spouse of the Holy Spirit, the Masterpiece of creation! Mary had a deep mystical and contemplative life and this was only possible because she relished long periods of silence. God sent the Archangel Gabriel to Mary when she was absorbed in silence, absorbed in prayer. May we imitate Mary and relish silence so that God can take us into the desert and speak to the depths of our hearts. -----Fr Ed Broom

## Mary and the Saints

**We Catholics have an advantage over our non-Catholic brothers and sisters, since we regularly request prayers not only from family and friends on Earth but also from family and friends already in Heaven!**

**Knowing many people struggle with the saints, in general, and Mary, in particular, we will share effective ways to explain and defend our Church's beautiful teachings about both.**

## Saint Joseph: Our Spiritual Father

**As we move through the Advent season, we will focus on another key figure in the Christmas story, the Blessed Mother's "most chaste spouse."**

**St. Joseph stands quietly in all of our Nativity Scenes and silently in the pages of Sacred Scripture.**

**But he plays a crucial role in God's plan of salvation and in our own lives.**

**December 3 Mary and The Communion of Saints**

**December 10 St. Joseph: Our Spiritual Father**
