Adult Catholic Studies

On **October 13th**, we begin Loving in Truth, a two-part follow-up to our Fearless in Faith series. Learning from Rod Dreher's Live Not by Lies, we want to help you better understand and explain the Church's wise teaching on tough in-the-news topics.

In The Enduring Dignity of Human Life, we discuss the Sanctity-of-Life ethic; the reversal of Roe v. Wade and its repercussions; and the crucial facts few know concerning the harms inherent in abortion, chemical abortion, and In-Vitro Fertilization (IVF).

On **October 20th**, in The Divine Design of Human Sexuality, we'll address two more tough topics. We'll look at the massive PR campaign designed to create acceptance of same-sex attraction and at the factors now contributing to the social contagion called 'early onset gender dysphoria.'

We'll hear from some who've been adversely affected by the propaganda and now speak against it. We'll discuss our Church's compassionate teaching and the wonderful healing ministry it offers.

Our upcoming Adult Catholic Studies classes:

- Oct 6 **No Class**
- Oct 13 **The Enduring Dignity of Human Life**
- Oct 20 **The Divine Design of Human Sexuality**
- Oct 27 **EPIC: Weak Leaders & Schism-Part 1**
- Nov 3 **EPIC: Weak Leaders & Schism-Part 2**

Holy Trinity Adult Catholic Studies meets Sundays at 10 am in the Hope House.

Order of Christian Initiation of Adults (OCIA)

Do you want to understand the Catholic Church better?

Do you wonder what your Catholic spouse believes and why?

Have you ever thought about entering the Catholic Church?

Have you been baptized but have not received the Sacraments of Eucharist or Confirmation?

If you answered yes to any of these, we hope you will consider joining Holy Trinity's Order of Christian Initiation of Adults (OCIA).

Our OCIA program offers the opportunity to learn about the Church's beliefs, Biblical foundations, and beauty...as well as her 2000-year-old history, traditions, and practices.

Our classes focus on the teaching of the Church, their foundation in Scripture and Tradition, the truth and beauty of the Church, and the experience of being Catholic. They will prepare you to enter the Church and to celebrate the Sacraments of Baptism, First Communion, and Confirmation.

Please join our OCIA process to ask your questions, get answers, and share your own insights and faith story.

Voting Responsibility

Catholics are required to vote for the good of society, to encourage moral and just laws. In light of that, we need to vote NO on Amendment J; to keep the definition of marriage as one man and one woman and not change the current state Constitution and also to vote NO on Amendment 79, which would not only allow for abortions under our state Constitution, but would use state taxes to fund those abortions.

RESPECT LIFE MONTH STATEMENT

October 2024

Most Reverend Michael F. Burbidge
Chairman, USCCB Committee on Pro-Life Activities

We are living in an exciting time of revival. Our National Eucharistic Congress, and the Eucharistic processions that led to it, involved hundreds of thousands of Catholics who will never be the same. The revival continues, and is so needed, especially in our efforts to defend human life.

Jesus, truly present in the Eucharist, gives us the fullness of life. He calls each of us to respect that gift of life in every human person. While we live in a society that often rejects those who are weak, fragile, or vulnerable, they are the most in need of our care and protection. Pope Francis reminds us that “every child who, rather than being born, is condemned unjustly to being aborted, bears the face of Jesus Christ, bears the face of the Lord, who even before he was born, and then just after birth, experienced the world’s rejection.”¹

The law and millions of our brothers and sisters have yet to recognize this reality. We thankfully no longer live under the regime of *Roe v. Wade*, and our elected officials are now empowered to reduce or end abortion. But what we now see is that fifty years of virtually unlimited abortion has tragically created a national mindset where many Americans have become comfortable with *some* amount of abortion. This allows the abortion industry to continue to provide *any* amount of abortion. Given this challenge, the U.S. bishops have affirmed that, while it is important to address all the ways in which human life is threatened, “abortion remains our pre-eminent priority as it directly attacks our most vulnerable brothers and sisters, destroying more than a million lives each year in our country alone.”²

“We are facing an enormous and dramatic clash between good and evil, death and life...”

In a tragic way, abortion has become the pre-eminent priority for others as well. We see many politicians celebrating the destruction of preborn children, and protecting access to abortion, even up until the moment of birth. Few leaders are standing up to limit the harm of chemical abortion (abortion pills) to mothers and children, which is now the most common form of abortion. And heading into the November elections, as many as ten states face gravely evil ballot initiatives that would enshrine abortion in their state constitutions.

Pope St. John Paul II’s words resonate today: “we are facing an enormous and dramatic clash between good and evil, death and life, the ‘culture of death’ and the ‘culture of life’ ... we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life.”³

And so we need a revival of prayer and action:

- We must renew our commitment to work for the legal protection of every human life, from conception to natural death, and to vote for candidates who will defend the life and dignity of the human person.

- We must call for policies that assist women and their children in need, while also continuing to help mothers in our own communities through local pregnancy help centers and our nationwide, parish-based initiative, *Walking with Moms in Need*.
- We must likewise continue to extend the hand of compassion to all who are suffering from participation in abortion, through the Church's abortion healing ministries like *Project Rachel Ministry*.
- Most importantly, we must rededicate ourselves to fervent prayer on behalf of life.

I invite all Catholics to join me in a concerted effort of prayer between now and our national elections, by daily praying our Respect Life Month "Prayer for Life to Jesus in the Blessed Sacrament":

Jesus, you came that we might have life—and have it in abundance. Together with the Father and the Holy Spirit, you form us in our mothers' wombs and call us to love you for all eternity. As your most precious gift of human life is attacked, draw us ever closer to your Real Presence in the Eucharist. Dispel the darkness of the culture of death, for you are the light that shines in the darkness, and the darkness cannot overcome it. By the power of your Eucharistic Presence, help us to defend the life of every human person at every stage. Transform our hearts to protect and cherish all whose lives are most vulnerable. For you are God, forever and ever. Amen.

Through the graces of this revival, may we witness, work, and vote so that all children in the womb will be protected in law and welcomed in love, and that all mothers and families will be strengthened by our support and accompaniment.
